

STAFF MEMORANDUM

FROM

DATE November 28, 1952

TO

RE

We are revising the Selections Folder to include items on attached list. The sole purpose of the Selections Folder is to encourage purchase for secondary distribution. Therefore selections have been made on the basis of secondary distribution figures, except in the case of a topical article which now might be considered somewhat dated. Two current Clippings and one current In Brief are automatically added until such time as sales determine whether they should be taken out or added permanently.

November 28, 1952

TO BE INCLUDED IN SELECTIONS FOLDER:

In Briefs
