Re: Selections Folder

In the future, each pocket of the above will contain two In Briefs except one pocket (lower right pocket on inside front cover) which will contain SOME FACTS, ON DISTRIBUTING LITERATURE, AND PUBLICATION PRICE SCHEDULE. It will also contain all Clippings of Note.

Each time a new In Brief or booklet of the same format is issued, a decision will be made as to whether or not it is to be included in the Selections Folder. If it is, we will advise which of the others to eliminate.

Each time a new Clipping of Note is issued, it is to be automatically included.

However, until notified to the contrary, the present Selections Folder will include:

Clippings of Note 19 to 40 inclusive
Some Facts about the Foundation
On Distributing Literature
Publication Price Schedule
Survival of the Species
On That Day Began Lies
Charity Biblical and Political
Liberalism Stands for Freedom
Rights for Robots
Ownership in Common
The Bill of Rights
The Penalty of Surrender
Show Me Any Other Country

The Guaranteed Life
Wards of the Government

Please change any Selections Folders already made up accordingly.
