

OFFICE OF
THE DIRECTOR

UNITED STATES INFORMATION AGENCY
WASHINGTON

Dear Mr. Hazlitt:

During the six-month period January through June, 1956, both the problems and the potentialities of our overseas information program were heightened by such developments as the Khrushchev denunciation of Stalin and the increasing Communist emphasis on competitive coexistence.

I thought you might like to glance through the attached report on the Agency's operations during this period.

Sincerely,

Abbott Washburn
Acting Director
