Dear George:

In the special mailing of "Planned Chaos" to college libraries and college faculty members we want to use a printed hanger, similar in size and stock to the enclosed card which you prepared for Mr. Read.

Enclosed are:

1. Copy for the two hangers, and
2. My rough layout of a suggested way to arrange the card.

We shall want 5,000 of each and I would like to have Miss Mahon give me estimates of the production cost on this job.

Please use one color only on the set up. I don't think that a two-color job is necessary for this hanger.

Cordially,

H. C. Cornuelle
Assistant to the President
