Dear Bob:

Thanks for your letter of August 4. Our present stock of the hardbound Planned Chaos grew out of a Volker Fund distribution of several hundred copies to teachers; so whether or not we'll be able to keep it in print indefinitely in both cloth and paper is not certain. At any rate, we'll keep an eye on the supply and try to let you know of any pending change. Also, you may want to check with us when it comes time to prepare your next Fall's catalogue.

Our current catalogue is enclosed and we'll see that you get a new one due about November 1.

Sincerely,

Paul L. Poirot
