Dear Miss Mahon:

In reply to your letter of November 17th, concerning the bill on reprinting "The Lengthening Shadow of Government," I checked through the production records and find that the bill is in order.

Only one word was changed, but the whole page had to be reset, and a new negative stripped into the lay. Trying to strip in just a patch, often results in a variation of light and dark that we did not feel would be acceptable to you.

I trust this will answer your question.

Very truly yours,

Dear Jim:

I am holding your invoice No. 84117 on
The Lengthening Shadow of Government. There was a change on one
page only. Is the charge for negatives on this correct?

Cordially,

Grace E. Mahon
