

MEMORANDUM

TO: Grace

March 24, 1955

FROM: Ivan R. Bierly

Dean and I have recently talked about the book on the Constitution and the Study Guide by Shelly. We agreed that the regular size of book rather than the  $8\frac{1}{2}$  x 11 format would be desirable.

As soon as we can have estimates of cost on this, I'd like to put together a budget on not only publishing costs, but also on distribution costs for this. I think that the figures that you gave me a while back were assuming an  $8\frac{1}{2}$  x 11 format. Would you see me about this so that we can talk about it briefly, and so I can be sure just where we stand, and so we can make plans ahead for what more information is necessary.

Many thanks -- and it's good to have you back and best wishes!
