RE: Pricing Musatti's CONSTITUTION

The pricing of Musatti's Constitution has been complex because of the *way the* publisher has priced it.

I suggest the following from now on:

Single copies

cloth \$3.50

paper 2.00

1/3 off to educators

Orders for two or more copies of either cloth or paper -- to anyone -- educators, study groups or any:

One-third off the single copy price, postpaid
