30 So. Broadway, Irvington-on-Hudson, N.Y.

Dear Mrs. Orsini:

We originally printed THE CONSTITUTION OF THE UNITED STATES for the Foundation. Subsequently we printed one edition for Van Nostrand, the publisher.

The question has come up as to whether this should be kept in standing type for possible reprint. Grace Mahon suggested I ask you first, but if future editions are entirely in the hands of Van Nostrand I presume you will suggest that we get the answer from them.

Very sincerely yours,

Lawrence Landsman
