Dear Dr. Evans:

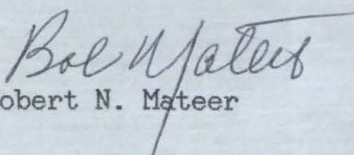

I know that Ron Nash has recently suggested that you might wish to come to our April 7th conference which will be entitled "Christian Perspectives on the Free-Enterprise System." I've enclosed a draft of an ad we will soon be running about the conference. In addition to those mentioned, Calvin Beisner and Gary DeMar are also expected to participate although Mike Novak may have a conflict of interest.

In addition to the conference, which we are excited about, Ron Nash suggested, and we have agreed to host, a dinner on Thursday evening, April 6th, say about 7:00 pm, where conference participants and hopefully, yourself can informally share and get to know each other. Please let me know if you can attend.

As a result of the conference we expect to produce a video which has the potential of being a useful tool for possible dissemination to clergy on a broad and non-denominational basis.

I hope to have the pleasure of meeting you in April.

Very sincerely,

  
Robert N. Mateer
