Dear Lil and Bob:

Thank you for your letter regarding the Conference on Christian Economics. We have been in communication with Bob Mateer and Ron Nash relative to this conference and the planned dinner meeting and I have scheduled Ed and myself to go.

Your suggestion regarding Carl is a good one. He certainly has an interest in this area and we need to be developing our younger staff members.

We plan to drive down for the conference so our expenses should be minimal.

It is good to hear from you. We take your letter as an indication of activity and some degree of well being for which we are thankful. We wish you every blessing as you recover from your recent surgery, Bob.

The Executive Board Meeting this weekend should be interesting. Our attendance will be a little light but we are forging ahead with some ideas and programs which should be significant for our future. Thank you for all that you do in support of FEE and freedom under God.

With personal regard,

Bruce M. Evans
