Dear Mr. Love:

I have just completed re-writing "Liberty" which was written by F.A. Harper, back in 1949.

Most of the copy was left as written, however, the statistics were brought up-to-date.

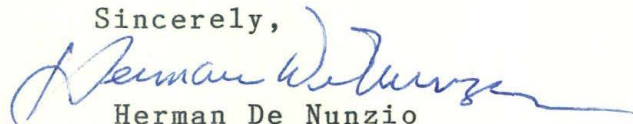

And would you be so kind as to tell me the number of copies sold when "Liberty" was first published?

This information can be passed on to a potential publisher, and may be a prime mover in getting it published.

And ofcourse there will be a percentage worked-out. Also, there will be a number of copies yet to be determined by you, and Mr. Harper.

Let me hear from you, as soon as possible.

Sincerely,

Herman De Nunzio
