Dear Cass:

The "Conscription Idea" has come in alright.  
I wish you would refer to my written order of June 22nd which distinctly  
says page 32 to page 45, ending "Dean Russell is a member etc." The  
page fillers were not supposed to be included in the reprint.

Let's talk about our method of ordering, so  
we can avoid this. Perhaps, you do not send my written instructions  
with your job jacket and there have been slip-ups.

Cordially,

Grace E. Mahon
