Dr. Charles F. Phillips, Pres.
Bates College
Lewiston, Maine

Dear Dr. Phillips:

At long last, copies of our reprint of your "Competition? Yes, but ..." are available. The 100 copies you had requested are on their way under separate cover. If you find need for additional copies, please let us know.

We are most pleased to be able to offer this valued addition to the Foundation publications in behalf of competitive enterprise, and most grateful to you.

Sincerely,

Paul L. Poirot
