Dear Miss Frick:

We, too, consider Admiral Moreell's To Communism: Via Majority Vote an outstanding contribution to present-day thought. In fact, we have secured 35,000 copies for distribution, and we will order or print more when necessary.

We will be pleased to send you as many as you may need. The charge is nominal -- for example, \$13.00 for 100 copies.

While we here at this Foundation are pleased that General Eisenhower was elected over Governor Stevenson, we fear that too many people may think that the battle for freedom has thereby been won. Of course it hasn't -- as Admiral Moreell so aptly points out in his pamphlet.

Incidentally, Admiral Moreell is one of our Trustees, along with many other outstanding Americans of a like caliber. The enclosed "Annual Report" gives a listing of them. I am also enclosing my own Wards of the Government as another example of the type of work we do. I will be pleased to supply you with more information about our complete activities and to add your name to our mailing list if you so desire.

Sincerely,
