Dear Mr. Chaplin:

We are planning another issue of the In Brief series. According to my calculation, it will run 20 pages if set in 12 point Granjon. We desire a stock similar to that used in the past issues of this publication. Our only change will be that we will use the second color only on the cover. The text is all straight copy with no charts or illustrations.

Will you please give me a quotation on the production of 50,000 copies delivered in Irvington, and banded in lots of 200.

In addition, I would like to have a quotation on this production on the basis of our supplying the necessary paper stock.

Sincerely yours,

H. C. Cornuelle
Executive Vice President
