This time we got the cart before the horse -- and we're proud of it.

Normally, when we bring out a publication, many business house organs, company magazines and newspapers reprint it.

In this instance Dean Russell of our staff wrote a piece on "The Bill of Rights" for two of U. S. Gypsum's magazines, having a combined circulation of nearly 6,000,000.

In this instance we are going to do the reprinting -- in one of our IN BRIEF pamphlet series.

I wish you would read this piece. And then let me know if you would like some of the pamphlets for distribution.
