Irvington-on-Hudson
New York,

Dear Mr. Russell:

We are planning to order 37,000 copies of "The Bill of Rights" for use on our Employees' Booklet Racks. We would like to use a different cover, however, and I am attaching one which our artist has designed. Before I place an order, will you please quote me a price for this booklet with attached cover and our imprint on the outside back cover. We would like to have the color of cover approximate background on our design. I shall appreciate an early reply so that we may order soon.

Yours truly,
