

TEN PREDICTIONS FOR 1990

An Audiotape Presentation

by

Dr. Hans F. Sennholz

- ★ Well-known for his successful forecasting ability, Dr. Sennholz anticipated, in 1964, the dramatic rise in gold, silver, and real estate values in the 1970s.
- ★ His ten-year prediction for the federal debt, made in 1973, was within 2 per cent of the actual figure.
- ★ Last year, nine out of ten of Dr. Sennholz's publicly broadcast predictions hit right on!

Revised and updated, his forecast for 1990 is available on cassette for only **\$19.95** (plus \$1.50 shipping and handling).

This sixty minute audiotape analyzes today's changing economic trends...**with Ten Vital Predictions for 1990.**

CAUTION: THE CONTENTS OF THIS TAPE COULD BE PROFITABLE...
