Dear Hans:

Many thanks for sending me the C & P Warrant Analysis. If you should decide to subscribe to this publication I would be interested in seeing a more recent copy. I never realized there were so many warrants outstanding in the marketplace.

We have another J.I. Case Seminar scheduled for November 6 and 7. I have no idea whether Dean will be able to participate in this session or not, but I would like to know if you are available on those dates?

I am enclosing a copy of my letter to Suzanne Lemmon.

Cordially,

Robert G. Anderson
