Dear Hans:

I'm happy to report that Age of Inflation arrived between showers yesterday (Wednesday) and some 375 copies have been mailed out to fill the orders we've had to date.

Though I've not had a chance to get through it with a fine comb, it looks great in all I've seen. We're sending a copy to George Koether who said he'd be most pleased to review it for The Freeman.

So, thanks and congratulations for another job well done.

Sincerely,

Paul L. Poirot
