Professor Hans Sennholz
200 East Pine Street
Grove City, Pennsylvania 16127

Dear Hans:

I am looking forward to seeing you in Vancouver on Friday, but not as ex-professor Sennholz!

I am really proud of you this time, -- and it is with your "war tactics." You have finally found the vulnerable point of attack with those anti-capitalist theologians. The trustees cannot touch the "liberal theology" issue, but anti-capitalist propaganda is fair game.

If they don't back you on this issue and clean house in that Chapel, I would assume the cause is lost. My bet is that you will win this war, and I can hardly wait for the next battlefield report.

Meanwhile, continue having fun. I know how much you are enjoying this and I must confess that I envy not being there to join in on the fun. Contributing to another heart attack for that fat chaplin would make my day.

See you in Vancouver, Professor Sennholz!

Cordially,

RGA/dr
