Dear Hans:

Thanks for sharing those winners of the J. P. Hassler award. "The Role of the Student of Freedom" by John Ladley shows a good understanding of the issues, but I think your "You Cannot Get Even" is the version we should have published. I hope he'll keep writing.

Tim Eshleman had already shared a copy of "Labor in a Free Society" and we've scheduled it for Freeman use, probably in our September issue.

Again, our thanks and best regards, and we'll be seeing you folks soon.

Sincerely,

Paul L. Poirot

Paul,
these two papers were the
winning essays of our
V. P. Hassler Award.
Can you use them in the
Freeman?

Regards,
Hans
