Dear Hans:

Thanks for the new names, which have been processed, plus the two articles on "Illegal Aliens" and "Crisis in Social Security" which are under consideration. I want to check these with others here, especially the latter part of the Social Security article as it gets into specific reform measures.

Also, our change of printers has practically closed out the issues through September at this point, and I'm hesitant to schedule or commit now for October and later use. So, may I hold these fo a few weeks, perhaps till you're back here in June, for a decision?

But if you do have other or earlier use for them, let me know and I can pull a copy and get these back to you.

I understand that "Crisis in Social Security" is scheduled for Private Practice and that "Illegal Aliens" should be cleared with Thomas Winter if we are to use it.

Thanks again for sharing them, and our best to you both.

Sincerely,

Paul L. Poirot
