

Opportunity Unlimited

WHAT WOULD HAPPEN if all Americans suddenly decided to cooperate with all other Americans—instead of attacking, suspecting, hating? What if managers invested in new machines, workers used those machines efficiently, managers shared the income from the machines with workers in wages, with consumers in lower prices, with owners in better profits? And what if government encouraged such investment by lower taxes made possible by the same efficiency in government as the new efficiency in factories?

Sounds so simple—and it is. Yet it would usher in the greatest period of prosperity and security that America ever saw or dreamed of. And it's the only way we can have lasting prosperity instead of a false boom of inflation, destroyed savings, destructive top-heavy debt.

Where is the American statesman—labor, business or government statesman—who believes enough in his country and in truth to preach that simple gospel? What an opportunity for greatness!
