

# COMMITTEE FOR CONSTITUTIONAL GOVERNMENT, INC.

Incorporated Under the Laws of the District of Columbia

117 LIBERTY STREET • NEW YORK 6, N. Y.  
TELEPHONE WORTH 4-2740

March 24, 1960

Dear Friend:

Socialistic groups, with labor boss backing, are pressuring Congress to spend more billions of your money for farm and other subsidies, socialized medicine and other inflationary give-a-ways. This will increase your taxes, further cheapen your dollar and destroy more of your freedoms.

Congress is helpless against these pressures without support of informed electorate.

Urgently important that you increase, if possible, or renew your previous support to enable this committee to further step up its current nationwide educational campaign, so necessary to offset these pressures and to spur grass roots action in the crucial weeks ahead.

Sincerely,

Joseph DeWitt  
Trustee

P.S. Please send your check for block of 'Spotlight' subscriptions, to go to your list or to Committee's screened list of opinion molders nationally.
