Dear Fellow Citizen:

This is an emergency. Walter Reuther is already within reach of controlling your Congress. He has 175 Members in whose elections he aided with union funds and other help. Right now, he is operating in 300 Congressional Districts, helping his selected candidates. His goal, to elect 220 Members who will vote for labor union policies - an absolute majority of the lower House.

If this happens, it means more confiscatory taxes, destruction of higher incomes, socialized medicine, more inflation, a deluge of socialistic measures, such as labor unions have imposed upon England.

The gigantic funds of labor unions, 612 million of annual income, more than \$100 million spent politically, can be opposed only by the lowest cost mechanism, statements from the Congressional Record distributed under frank in the 300 districts where Reuther is working. While spearheading for the defeat of the Court-packing Bill, we used 15 million franked releases, and since then, 140 million.

We need immediately \$20,000 for taxes and special expenses and \$70,000 for seed money to start this campaign. This seed money will multiply itself many fold as the campaign progresses.

Less than 75 days remain. Time is vital. Send immediately a check for as large an amount as you can. Make check payable to the Committee for Constitutional Government, Inc. for multiple subscriptions to SPOTLIGHT for the Nation at \$10 each, a legitimate business expense. For tax deductibility for individuals and corporations, make check payable to the Constitution and Free Enterprise Foundation, Inc. Enlist others, for the need is immediate. This may be your last chance to work effectively to save our Constitutional Republic.

Sincerely yours,

Executive Secretary
