

## Write-Your-Own Ticket

SEVERAL domestic airlines are now issuing blank tickets under the above title, to be filled in by the customer — a splendid labor-saving device.

For nearly 17 years FEE has been making blank “tickets” available—as below. Economical? Of course! Those who are interested in our educational efforts are FEE’s only salesmen; that is, if you, for instance, become a contributor, it is because you sell yourself and “write your own ticket.” This makes revenue acquisition almost costless.

Can this type of self-initiating procedure keep FEE right side up financially? Affirmative! Last year the voluntary write-ins by more than 12,000 individuals, companies, and foundations ranged from five dollars to several thousand — average \$40.00.

NOT INTENDED FOR THE 12,500 WHO ALREADY ARE CONTRIBUTORS
