

## A DROP IN THE BUCKET

As explained in *Design for an About-Face*, FEE can never be more than a drop in the bucket in the budding freedom renaissance. The design demands much more: many thousands of individuals becoming more skilled in their understanding and exposition of the freedom philosophy.

FEE's role is to volunteer and give assistance to all who are interested in this project.

The number of individuals, businesses, and foundations who place a value on FEE's assistance and, as a consequence, have become financial contributors, has increased 30 per cent during the last twelve months.

If you are not among the 12,500 current contributors and wish to become one, use the form below.
