

NO SPECIAL PRIVILEGE FOR ANYONE!

WHY is this not an ideal object to have in mind when trying to decide on the limitation of government?

It is the same as declaring, "Equal justice for all before the law!"

- One thing, for certain, socialism will continue on its rampage except there be an intelligent and vigorous support of ideals like these. And to expect such support without understanding is wishful thinking.

Presenting the case for economic justice through such media as The Freeman, books, seminars, lectures, high school and college debate material, and others is the role of FEE. Everyone assists who wishes to do so — individuals, companies, foundations. That's what the form below is for.
