COVER

As a "thank-you" for your willingness to compose an endorsement for Criminal Justice? The Legal System Versus Individual Responsibility, please accept the book with my compliments.

Needless to say, I'm very proud of this important contribution to the national debate on crime. Your kind remarks will help give it the wide attention it deserves.

The publisher is also enclosing some promotional materials. I hope you'll use them to publicize the book among your colleagues and friends. We're especially interested in having the book used in college classrooms and libraries. Don't hesitate to contact the Foundation for additional advertising flyers if you need them. Also, note that -- in gratitude for your support -- you can obtain additional copies of the book at a special discount.

We'd much appreciate it if you'd take a few moments to send along the names and addresses of any individuals, groups or publications which you think should hear about Criminal Justice? We'll be happy to add them to our mailing list.

Again, thank you. I hope you're as proud of the finished product as I am.

Warmest wishes,

Bob

Please accept, with my warmest personal regards, this exciting new book.

In Criminal Justice? The Legal System Versus Individual Responsibility, fourteen noted thinkers confront our modern crime epidemic in a series of brilliant, highly readable essays. They offer a radical challenge to decades of failed criminal justice philosophy and policy.

Thanks to them, Criminal Justice? is an indispensable arsenal of facts and arguments in the war on crime -- powerful ammunition you will find nowhere else.

Because I know you'll be interested, I've asked the publisher to send you the book with my compliments, along with some promotional literature. If you like it, I hope you'll agree that Criminal Justice? deserves the widest possible audience.

Enjoy.

Best wishes,

Robert James Bidinotto

Because of my appreciation for your fine work in the field of criminal justice, please accept, with my compliments, this exciting new book.

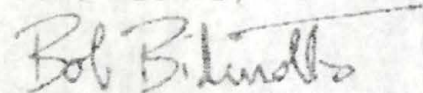

In Criminal Justice? The Legal System Versus Individual Responsibility, fourteen noted thinkers confront our modern crime epidemic in a series of brilliant, highly readable essays. They offer a profound challenge -- and no-nonsense solutions -- to decades of failed criminal justice philosophy and policy.

Thanks to them, Criminal Justice? is an indispensable arsenal of facts and arguments in the war on crime -- powerful ammunition I don't think you'll find collected anywhere else.
