Good Morning Beth,

In response to your call an hour ago, I contacted NRA's CrimeStrike. Molly Anderson has just called back to say for CrimeStrike's special-edition, "Send half the books (500) to NRA CrimeStrike, 11250 Waples Mill Rd., Fairfax, VA 22030 and the other half to Pro-Mail (warehouse), 630-G East Diamond Avenue, Gaithersburg, MD 20877." When asked about a point of contact or annotation for receivers, Molly suggested, "*NRA CrimeStrike's Books," to facilitate handling.

Molly is pleased about the delivery date. Though the Fairfax meeting will be April 2 - 4, CrimeStrike's special-edition must arrive no later than March 30, to allow for the compiling of packages for meeting attendees.

Beth, discussions and searches with Tommy in the basement this morning for the McCaffrey 8-page mini catalogue have not unearthed any clues, remnants, etc. Tommy suggests that if King Lithographer were contacted about the shipping date then he would have a better idea about where the 8-page mini catalogue might be.

Respectfully,
