* Jo FAMILTON, President
 Coalition of Victim Advocates (COVA)
 PO Box 877, Snohomish, WA 98290
 (statewide victims rights coordinator. May want to buy bulk)

* Elizabeth Swasey, Executive Director
 CrimeStrike, National Rifle Association *FAK →*
 11250 Waples Mill Rd., Fairfax, VA 22030
 *(CrimeStrike is a major division of the NRA devoted to
 tough criminal justice reforms. The NRA has several
million members, and is a vast potential market for our
 book. I have already broached the idea of bulk orders
 or specially printed editions of the book for them, through
 Molly Anderson, their office manager. CrimeStrike should
 get several copies -- one hardback, several softcovers. In
 addition, after the copies are sent with bulk price
 information and special printing deals, they should get a
 followup phone call at (703)267-1160 to pursue these ideas.
 Consider a review and/or advertising in their magazine.)
