YOU ARE CORDIALLY INVITED TO MEET WITH

**ROBERT JAMES BIDINOTTO**

AUTHOR OF

***CRIMINAL JUSTICE?***

***The Legal System Versus Individual Responsibility***

The Foundation for Economic Education invites you to meet columnist, lecturer, and investigative journalist *Robert Bidinotto*, who will soon be visiting your local area.

Bob's appearances are part of a national Fall tour to promote his new book, *Criminal Justice? The Legal System Versus Individual Responsibility*. His tour will include media events, speaking engagements, and bookstore signings in nearly 30 cities.

Advance comment and reviews for this important book have been extraordinary, and excitement is building. A month before its publication, the book already has gone into a third printing.

In his Foreword to *Criminal Justice?*, John Walsh — host of TV's "America's Most Wanted" show — says:

"Bob Bidinotto has been right on target about our criminal 'injustice' system . . . This book is a must read for anyone who knows the system is broken, and wants to change it."

Knowing of your own interest in the crime issue, Bob has asked me to extend to you his personal invitation to meet him during his local stops. You will also have the opportunity to obtain *Criminal Justice?*, which Bob will be happy to sign and personalize for you.

I am enclosing a schedule of Bob's appearances in bookstores near you, and on local media. I do hope you will accept our invitation to join him at these exciting events.

Sincerely,

William Fox,  
Director of Marketing

PRAISE FOR  
*CRIMINAL JUSTICE?*  
*THE LEGAL SYSTEM VERSUS INDIVIDUAL RESPONSIBILITY*

"America's law enforcement officers — and crime victims — owe a debt of gratitude to Mr. Bidinotto for documenting in one book how and why our justice system is broken — and how to fix it."

— **James J. Fotis**, Executive Director,  
Law Enforcement Alliance of America

"Bob Bidinotto has been right on target about the criminal 'injustice' system. He has been a loud voice for victims like myself. This book is a must read for anyone who knows the system is broken and wants to change it."

— **John Walsh**, Host, "America's Most Wanted,"  
Fox Television Network

"Robert Bidinotto has done it. He's managed to assemble a group of scholarly, yet immensely readable, articles that completely demolish a half century of half-baked theories about the causes of and society's response to crime. You're going to find out that the average citizen was right all along and the 'experts' deathly wrong."

— **Walter E. Williams**, Professor of Economics,  
George Mason University

"... a tremendous book! This hard-nosed, penetrating analysis of the crisis in our criminal justice system demolishes decades of liberal, criminal-coddling dogma . . . Essential reading for every citizen seeking ways to stop the bloodshed on our streets."

— **Richard Thompson**, Prosecuting Attorney,  
Oakland County, Michigan

"Our society must deal with crime through a criminal justice system that is responsive and effective. Today's system isn't working, because of the 'Excuse-Making Industry' so aptly described in Robert Bidinotto's collection of articles by criminal justice experts."

— **Samuel A. Lewis**, Director,  
Arizona Department of Corrections

"This is the most brilliantly informative book on the subject of crime I have ever read. It is mandatory reading, not only for anyone concerned with law enforcement and social justice, but anyone who wishes to better understand the problems afflicting the present society. I have never read anything like it. I cannot recommend it highly enough."

— **Dr. Nathaniel Branden**, psychologist and author

"Persuasive . . . a compelling message."

— **Dominic S. Amato**, Circuit Judge,  
Milwaukee, Wisconsin
