COMMENTS:

As I mentioned to your secretary yesterday, David is traveling this week. However, I had a chance to review your fax with him last evening, and he asked me to respond on his behalf.

The listing of our forthcoming book, "Criminal Justice: The Private Challenge to Crime Reduction and Prevention," is simply a working title. David asked me to let you know that we have no intention of using the title, "Criminal Justice," and that we would certainly not wish to do anything to undermine the success of your book.

David will be back in the office Monday if you wish to speak with him directly.

I understand from my parents, Willard and Jean Garvey, and my sister, that they enjoyed visiting with you and hearing you speak Sunday night in Wichita. They said that you mentioned something about doing some mutual book promotion with us. Please let me know if this in anything you wish David or me to pursue.

With best wishes,

Mary Theroux
