5000 - \$3712.00

10 000 - ~~5147.00~~

\$15814.00

4046.00

~~4046~~

Based on 3000 copies clothbound, balance folded and gathered and held in stock.

Note: On the 5000 lot there is not sufficient paper for a making order, so the price would stand.

However on the 10,000 lot, if you can wait two to three weeks for the delivery of paper there would be a saving of \$179.

The time for printing and delivery would be approximately three weeks.
