Dear Mr. Scantland:

In response to your letter of July 20, concerning "visual aid" material on the book Mainspring, we now have this information: Florez, Incorporated, 815 Bates Street, Detroit 26, Michigan, has produced a slide film for this purpose. It is also entitled "Mainspring." We have not yet seen it.

Sincerely,

Dean Russell

Gentlemen:

We understand that you have produced a slide film as a visual aid to the book Mainspring. Since we have now assumed sale distribution of this book, we are greatly interested in further information on this project. Possibly it may prove of considerable value in promoting the book itself. What have been the reactions to the slide film?

Sincerely,

Dean Russell
