

Directions to home of Leonard E. Read

1084 Inverness Drive, Flintridge
Sylvan 0-1973

If you prefer Arroyo Seco

Turn off Freeway on Orange Grove Avenue and remain on this street, crossing Colorado (flagpole). Turn left at first street (Holly) and proceed down hill and across bridge to Linda Vista. Turn right and go to Highland. Highland, Foothill and Linda Vista intersect at Devil's Gate Dam. Standard Oil has a station at this intersection and directions to my home can be obtained there if the following is not clear: turn left off Linda Vista and proceed for one mile on Highland (following the unbroken white line) to the end of the road which will bring you to Chevy Chase. Turn left on Chevy Chase. The second road on the right is Inverness. Turn right and proceed to first house on left beyond fire station.

If you prefer to go via Glendale

Get onto Chevy Chase in Glendale and proceed toward mountains. Soon after beginning to climb you will note Chevy Chase Golf Club on left. There is a Y in the road at this point. Be certain to stay left. Proceed for about $1\frac{1}{2}$ miles. Inverness is just over top of hill and can be identified by red light on white fire station. Turn left on Inverness and go to first house on left beyond station.
