Mr. Howard Beane
Rumford Press
Concord, New Hampshire

Dear Mr. Beane:

At the suggestion of Mr. Chaplin of your New York office, I am enclosing our corrected first proofs for the third issue of our "In Brief" series. I hope that the changes I have indicated are clear.

On the proof of the cover I have requested an improvement in the letter spacing -- particularly in the lines which form our imprint. It seems to me that there is too much letter spacing here in most cases, and I hope that the compositor can tighten it up a little.

Yours very truly,

H. C. Cornuelle
Executive Vice President
