Dear Miss Fisher:

We are now preparing to publish a reprint of John Jewkes' article entitled "Prices According to Plan" which appeared in the September issue of Fortune Magazine.

We find that it may be necessary for us to condense the article to a slight extent in order to have it fit well into the format we usually use for such items. Would it be possible for you to amend the permission which you so kindly gave us in your letter of October 30, 1947 in order to allow such condensation.

We contemplate no change in the article itself and would indicate the omissions. I realize that this would necessitate a change in the credit line.

Thanking you for past courtesies, I am

Sincerely yours,

H. C. Cornuelle
Executive Vice President
