Dear Dr. Harper:

Mr. Harry Childs of Pictorial Media, Inc. has forwarded to me a copy of your letter to Mr. R. F. Smith concerning the source of reference to the Lenin quote on Page 3 of the comic book "How Stalin Hopes We Will Destroy America."

I thought that I would add to Mr. Childs comments in order to give you perhaps a little more specific information on your request. Mr. Henry J. Taylor has used this quote on several of his General Motors program radio talks and he gave me the following documentation on the Lenin statement that we used:

"While Mr. Taylor was in London he was given a translation of the minutes of various meetings at which Lenin was in attendance. The Lenin statement 'Some day we shall force the United States to spend itself into destruction,' was taken from these minutes and is an excerpt from Lenin's speech on 'The International Situation and the Defense of the U.S.S.R.,' delivered at a Joint Plenum of the Central Committee and Central Control Commission of the C.P.S.U."

Sincerely yours,
