Dear Miss Bien:

I am sorry to say that I cannot give you any more information than you already have on the source of the Lenin quotation about which you have written.

Information in possession of the Committee indicates, as yours does, that it can be found in Vol. X, page 172 of the Collected Works of Lenin. Selected works of Lenin are common, but even the Library of Congress does not have his Collected Works; so we have been unable to check them for the quotation.

The only thing I can suggest is that you try the main library in New York City in the hope that it might have the Collected Works.

Sincerely yours,

Francis E. Walter
