BETTINA BIEN GREAVES

April 3, 1984

Mark Stone:

The quotation cited by NEW YORK TIMES' David K. Shipler in his recent book on RUSSIA is very close to the Lenin quote about which you asked some time ago. FEE's library does not have this volume of Lenin's works, nor do any of us FEE staffers in our personal libraries. Perhaps you can track it down in one of the large Philadelphia libraries. If you succeed, you might drop us a note. We would appreciate that.

B. Greaves
