Dear Hans,

I'll meet you at the Fort Lauderdale airport at 8:25p.m. on Sunday, February 13th.

I thought that Monday would be a good day to just rest and relax around the pool, and maybe take a walk on the beach, which as you remember is near by.

On Tuesday, I arranged a breakfast speech to the Executives' Association ----- a fine group of business and professional people. About 100 will be in attendance. You've talked to this group before.

Then at noon on Tuesday, I arranged a talk for you to my Rotary Club. So it should be a productive and rewarding day.

We look forward to your arrival, and will try to make your stay here very comfortable and relaxing!

Yours very truly,

Robert D. Helmholdt, D.D.S., P.A.

Dear Bob and Margie:

Mary and I are excited about our return to Fort Lauderdale and a few days in the Florida sun. I've made reservations on United flight 1849 arriving on Sunday, February 13, at 8:25 P.M. and leaving on Wednesday, February 16, at 1:35 P.M. This should give me ample time to give a few speeches and tell about the efforts of FEE.

With kind regards,

Hans F. Sennholz
