Carl --

Do you have a current address for Julia Kochetygova? Dr. Sennholz wants to put her on the mailing list. In a fax received from her yesterday, she indicates she has transferred to the Institute of Economics, Russian Academy of Sciences. She also says "now I am heading the Economic Program in the new-founded independent Foundation for Educational Initiatives in Russia." The only correspondence we have had with her was when she was with you at Atlas last spring.
