Dear Mary,

Margit was very much pleased with Hans' letter and the photos of Roland. She doesn't see many people these days, but she is hoping you folks will call when you come to Irvington.

Incidentally, no small part of my delight at Hans' taking over as President of FEE is because you are coming too. You knew and worked with Read. I look forward to the new Sennholz regime as reviving both LER's methodology and Austrian epistemology.

See you in April.

Sincerely yours,

(Mrs.) Bettina Bien Greaves
