Hans,

Thanks for your remarks on the
Mises anthology. I'm sure we
will be able to use them to
help push the book. Thanks!

It is a real Mises-type review
in that you used the occasion
to say something that was
important.

Dear Hans:

At the recent Mont Pelerin Society meeting I had the opportunity to meet many individuals who share a friendship and appreciation for you. Among them was Jose Maria Ibarbia, your student from Argentina. Jose is now a Congressman in his country and greatly values his training received at Grove City College.

I hope things are going well with you and your family.

With personal regard,

Bruce M. Evans
