Dear Hans:

Thank you for your recent contribution to The Foundation. You and Mary represent so well the heart, life and mission of FEE.

It was a joy to have you here at the June Seminar and we look forward to seeing you again later in the summer. I especially appreciate your encouragement and support as Jane and I begin this new relationship of service to FEE.

With personal regard,

Bruce M. Evans

Dear Hans:

Thank you very much for your contribution to FEE in the sum of \$500.00. You are truly a gentleman and a scholar. I used to be convinced that you ended up with the better end of the marriage bargain with Mary but now I am learning that she did not do so bad either.

I look forward to working with you in Houston. Thank you again and best regards.

Sincerely yours,

Bumper
