Dear Hans:

Chuck and I have gone over your Op-Ed article and like its general approach. However, we will want to do some editing. Before we send anything out to newspapers, we will send you final copy for your approval.

Chuck and Bob suggest that we hold off on this until Paul and Joan Taylor are here the third week of September. I agree. The key players should be on board before we start any new programs.

Enclosed is an editorial from the Reading Eagle. They paraphrased an article I sent out on a trial basis.

We all enjoyed seeing you and Mary last week.

Best wishes,

Brian Summers
