Dear Hans:

I appreciate your patience on the Spanish issue.

I've just written Bob that we applaud your changes and additions for Death and Taxes and should stock it here if we can start with 500 copies at a 40 to 50% discount off list. That should give us a margin to allow 1/3 off on seminar sales and still leave him a spread over costs.

We do have your short piece on "Law and Justice" waiting to go to the printer for the January FREEMAN in a week or so. But if you have something more timely that should go ahead of that, or one we might use in February, of course we can use more.

Our best to you both.

Sincerely,

PLP/dr

Dear Paul,

You are making a
convincing case for your
Mexican position.

Thanks!

Hans

P.S. Can you use more
Sunday articles?

Dear Hans:

Thanks for your letter of December 22 and the updated version of the article, "Illegal Aleins ARE Fully Employed." Agreed that this covers some of the ideas in more detail. But we now have galleys of the original manuscript, and should stick to that draft. We do appreciate your sharing the update.

We'll see that Charles B. Montgomery, Jr., is added to the mailing list.

Thanks again and best regards.

Sincerely,

Dear Paul,

I rewrote the piece on illegal
alloys to make a chapter
out of it.

If you care to have this
version, rather than the earlier
one, you are welcome to it.

Best,

Hans
